The proceeds from this fundraiser will be used to assist various local charities. Included is a list, on the back of this sheet, of the organizations and charities that benefited from our fundraising during our previous fiscal year ended 6-30-14. We are limiting the Event Sponsorships to the first 45 businesses/individuals who respond, due to the limited amount of space on the placemat.

Please submit the form below along with your check payable to the Rotary Club of Jenkintown, and please include your business card and any additional information to include within the space available for your sponsorship. In order to allow adequate time to print the placemats, we must have the check & business card by Friday, April 3, 2015.

Thank you for your participation in this awesome event!
